

YAMIN RAFI MIR

ENVIRONMENTAL PLANNER | CIVIL ENGINEER | WEB DEVELOPER

Environment and Sustainability Planner from the prestigious School of Planning and Architecture, Vijayawada, with a strong foundation in Civil Engineering. Blending practical engineering skills with innovative planning solutions, I specialize in sustainable urban development and environmental management. I possess unique perspective on integrating technology and awareness methods into environmental planning through my skills in website designing, combined with digital marketing proficiency. Having twice qualified for the Civil Services Prelims and secured an AIR 594 in GATE, I possess a robust analytical and logical aptitude, demonstrating my ability to address complex environmental and societal challenges
